U. E. L. Claims.

51. Evidence on the claim of John Rankin, of York County, Pensilvania.

Halifax, 6 May, 1786.

Claimant affirmed.

He is a native of Pensilvania. In 1775 he was settled in York Town, Pensilvania, on a plantation of his brother James. He never took one side or other. His Br. William was in the American service.

Claimant joined the British in March, 1778, and remained with them until the evacuation of New York. He came to Annapolis in 1783, and settled in New Brunswick. He went to Pensilvania last fall, trading, and is lately arrived from thence.

93 acres of land in Newbury, York County, produces deed dated in 1764 from the Rev. Richard Peters to claimant for 49 acres in consider. of L 50 lawful money of Pensilvania, 43 acres adjoining the title is gone to England. He paid 20s. per acre for this. Says he cleared and fenced 40 acres of this, and says he could have sold it for L 5 cur'y per acre cash.

It is sold under confiscation.

97 acres of land in Newbury. The title is likewise gone to England. This he purchased from the proprietors. About L 15.10 per hundred was the expense of getting land out of the office.

He made a small improvement. He kept for timber. Values it at L 3 cur'y per acre.

A waggon and four horses taken going into the British lines L 200 cur'y, 2 horses and 2 mares left at home.

10 cows, L 50. 10 swine, L 30.

Crop in the ground, L 200.

Hay, L 30. Furniture, L 100.

States debts due, L 200, P. cur'y.

Is required to produce certificates of sale.

Witness John McGuire, Sworn:

Says he has not a doubt of the loyalty of claimant. Mr. Rankin, he says, resides at Willington, and has lands at Pasamaquade.

Believes he had property near Newbury, and believes it was good land. He lived upon a farm ~~xxxx~~ of his brothers.

Claimant produces certificate signed Wm. Mitchell, surviving agent, of the sale of claimant's lands in Newbury Township.

Handwritten text, likely a letter or document, written in Arabic script. The text is faint and mostly illegible due to fading and bleed-through from the reverse side. It appears to be a formal or official communication, possibly a decree or a report, given the structured nature of the lines and the presence of what might be a signature or official stamp at the bottom right.

Dear Doctor,

The new income tax legislation provides one immediate benefit - it substantially increases the tax exemption you can obtain on monies you save for retirement. Self-employed doctors earning \$20,000 or more may now deduct \$4,000 from taxable income. Salaried doctors' allowances have been increased to a maximum of \$2,500.

The Canadian Medical Association has a flexible retirement plan for members - The Canadian Medical Association Retirement Savings Plan. It was specially designed for doctors - has more than 8,000 current members - and is registered with the government so that you can deduct your contributions from income and reduce taxes.

C.M.A.R.S.P. is a group plan which means lower costs to you. No commissions are paid to salesmen. All of your \$4,000 is invested to produce retirement income. Other plans which pay commissions or charge a front-end load invest less than the amount you pay.

No matter what your current age, you should take advantage of these tax savings. If you do not, your \$4,000 becomes \$2,000 after taxes, and you pay a capital gains tax on any capital profits from your investments. It makes sense that \$4,000 yearly, accumulating without tax, will do a better job for you than half that amount subject to tax - even though you will eventually pay income tax on your retirement savings income.

It also makes sense to look closely at the enclosed information about C.M.A.R.S.P. Monies invested in our insured annuity plan in 1971 will earn more than 7% interest. 1971 showed a substantial improvement in common stock prices. Our common stock fund increased in value by 16.2%. During the month of January 1972, it increased a further 7.4% and on January 31, 1972, the unit price was \$25.25.

Join now. Complete the enclosed application form. It is the best way to increase your savings and at the same time reduce your taxes.

Yours sincerely,

B. E. Freamo
Executive Secretary
